# A LETTER FROM OUR LEADERSHIP

It is with immense gratitude and pride that we present to you the 2023 Annual Report, documenting the impactful journey of Catholic Community Services of Utah throughout the past year. As members of the Board of Trustees, we are honored to share the progress, challenges, and triumphs achieved in our mission to serve and support the most vulnerable members of our community.

Pope Francis wrote, "Each individual Christian and every community is called to be an instrument of God for the liberation and promotion of the poor, and for enabling them to be fully a part of society. This demands that we be docile and attentive to the cry of the poor and to come to their aid. In this context, we can understand Jesus' command to his disciples: "You yourselves give them something to eat!" (Mark 6:37) It means working to eliminate the structural causes of poverty and to promote the integral development of the poor, as well as small daily acts of solidarity in meeting the real needs which we encounter. (Evangelii Gaudium, 187-188)

Over the course of this year, our commitment to addressing pressing social issues—ranging from homelessness and food insecurity to migration and displacement—has been unwavering. The landscape of need constantly evolves, demanding our adaptability and innovative solutions to ensure we continue to serve with compassion and effectiveness.

None of the work accomplished this year would have been attainable without the dedicated efforts of our volunteers, the support of our community partners, the hard work of our committed staff, and the generosity of our donors. Your collective support fuels our ability to make a meaningful difference in the lives of countless individuals and families.

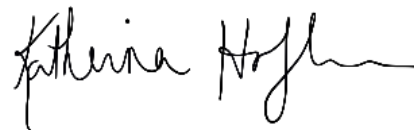

As you delve into the pages of this report, we urge you to recognize that behind every statistic and achievement lies a person whose life has been positively impacted by the work of Catholic Community Services of Utah. Your continued belief in our mission drives us forward, instilling hope and creating opportunities for those we serve.

In unity and solidarity, we recognize that it takes the combined efforts of an entire community to create lasting change. Your ongoing support is fundamental in our journey to build a more compassionate and equitable society.

Thank you for standing alongside us in our pursuit of a better tomorrow.

The Most Rev. Bishop Oscar A. Solis  
CCS Board Chairperson

Katherina Holzhauser
