Independent Auditor's Report

The Board of Directors
Catholic Community Services of Utah
Salt Lake City, Utah

Report on the Financial Statements

We have audited the accompanying financial statements of Catholic Community Services of Utah, which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Catholic Community Services of Utah as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules on pages 22-25 are presented for the purpose of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in our audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 20, 2017, on our consideration of Catholic Community Services of Utah's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Catholic Community Services of Utah's internal control over financial reporting and compliance.

A handwritten signature in cursive script that reads "Eric Sully LLP". The signature is written in black ink and is positioned to the left of a vertical yellow line.

Note 1 - Principal Activity and Significant Accounting Policies

Organization

Catholic Community Services of Utah (CCS) is a nonprofit corporation organized under the laws of the State of Utah. CCS is the social service organization of the Catholic Diocese of Salt Lake City (the Diocese). CCS provides social services to those in need in certain communities throughout Utah.

CCS' principal programs comprise the following:

- **Immigration and Refugee Resettlement Services:** Provides refugees with resettlement services and orientation, and case management including job development. Also provides legal services to non-residents seeking citizenship, work permits, and family reunification.
- **Treatment Services:** Provides residential and outpatient drug and alcohol treatment, case management and transitional housing.
- **Homeless Services:** Provides basic needs services, including food, clothing, day shelter, referrals and case management to the homeless and those at risk of homelessness.
- **Catholic Community Services of Northern Utah:** Provides food to individuals and local food pantries, and baby layettes to poor, working families.

Cash and Cash Equivalents

CCS considers all cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to capital expenditures, permanent endowment, or other long-term purposes of CCS are excluded from this definition.

Certificates of Deposit

CCS holds certificates of deposit with various financial institutions whose current maturities range from September 2017 to January 2019. As they become available for renewal CCS expects to renew these certificates of deposit for periods longer than three months. Accordingly, CCS does not consider these certificates of deposit to be cash equivalents and has classified them as non-current assets in the accompanying statements of financial position.

Grants and Contracts Receivable and Credit Policies

CCS receives substantial funding through federal, state, and other grants and contracts. The majority of these grants and contracts operate on a cost reimbursement basis. Generally, accounts receivable and the related revenues are recorded when the applicable expenses to grant awards have been incurred. Certain grants require that CCS match the funds received with other funds in varying percentages. Management determines the allowance for uncollectable contracts and grants receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Contracts and grants receivable are written off when deemed uncollectable.

Promises to Give

Unconditional promises to give expected to be collected within one year are recorded at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statement of activities. Management determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectable.

Inventory

Inventory represents food inventory on hand, net of an allowance for perishables, in the Catholic Community Services of Northern Utah program and bulk supplies held by CCS. A substantial portion of food inventory is received from the Utah Food Bank, another nonprofit organization. Contribution revenue, participant assistance, and food inventory is valued at \$1.70 and \$1.72 per pound of food during the years ended June 30, 2017 and 2016, respectively.

Property and Equipment

Property and equipment additions are recorded at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from three to thirty nine years. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any remaining gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

CCS reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the years ended June 30, 2017 and 2016.

Beneficial Interest in Assets Held by Catholic Foundation of Utah

CCS and donors have transferred funds to an affiliated organization, the Catholic Foundation of Utah (CFU), for the benefit of CCS or its programs. CCS has evaluated the terms of the agreements governing the funds held by CFU for the benefit of CCS or its programs and recognizes its right to the assets (financial or nonfinancial) held by CFU as an asset unless CFU is explicitly granted variance power, that is, the unilateral power to redirect the use of the transferred assets to another beneficiary. Because CCS and CFU are financially interrelated organizations, as defined by generally accepted accounting principles (GAAP), if variance power is not granted to CFU, CCS recognizes its interest in the net assets of CFU and adjusts that interest for its share of the change in net assets of CFU related to the transferred assets. In cases where CFU has been granted variance power, CCS recognizes its rights to the assets held by CFU as receivable and contribution revenue in accordance with GAAP provisions for unconditional promises to give.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Unrestricted Net Assets – Net assets available for use in general operations.

Temporarily Restricted Net Assets – CCS reports contributions restricted by donors as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Permanently Restricted Net Assets – Net assets whose use is limited by donor-imposed restrictions that neither expire by the passage of time nor can be fulfilled or otherwise removed by action of CCS. The restrictions stipulate that resources be maintained permanently but permit CCS to expend the income generated in accordance with the provisions of the agreements.

Revenue and Revenue Recognition

Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively. Contributions are recognized when cash, securities or other assets, or an unconditional promise to give is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to CCS' program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by GAAP. Contributed goods are recorded at fair value at the date of donation. CCS records donated professional services at the respective fair values of the services received.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

CCS is organized as a Utah nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3), that qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi), and has been determined not to be a private foundation under Section 509(a)(1). CCS' activity is included with other charitable activity of the Catholic Diocese of Salt Lake City. This combined entity is not required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS because the Catholic Diocese of Salt Lake City is a religious organization exempt from filing. In addition, the combined entity is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. CCS has determined it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

CCS believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. CCS would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and those differences could be material.

Financial Instruments and Credit Risk

CCS manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, CCS has not experienced losses in any of these accounts. Credit risk associated with grants and contracts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from governmental agencies and foundations supportive of CCS' mission.

Reclassifications

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications had no impact on previously reported net assets.

Subsequent Events

CCS has evaluated subsequent events through September 20, 2017, the date the financial statements were available to be issued.

Note 2 - Fair Value Measurements and Disclosures

Certain assets are reported at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that CCS can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

Level 3 – Unobservable inputs for the asset or liability. In these situations, CCS develops inputs using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to CCS' assessment of the quality, risk or liquidity profile of the asset or liability.

The fair value of CCS' beneficial interest in assets held by CFU is based on the fair value of fund investments as reported by CFU. These are considered to be Level 2 measurements.

The following table presents assets and liabilities measured at fair value on a recurring basis at June 30, 2017:

	Fair Value Measurements at Report Date Using			
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Beneficial interest in assets held by Catholic Foundation of Utah	\$ 3,916,086	\$ -	\$ 3,916,086	\$ -

The following table presents assets and liabilities measured at fair value on a recurring basis at June 30, 2016:

	Fair Value Measurements at Report Date Using			
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Beneficial interest in assets held by Catholic Foundation of Utah	\$ 1,225,607	\$ -	\$ 1,225,607	\$ -

Note 3 - Promises to Give, Grants and Contracts Receivable

Promises to give, grants and contracts receivable are expected to be received within one year and consist of the following at June 30, 2017 and 2016:

	2017	2016
State of Utah - various	\$ 640,783	\$ 471,952
United States Conference of Catholic Bishops	145,468	350,691
Marilyn O' Connor Estate	339,971	-
United Way	103,390	106,446
Other	66,878	71,079
Less estimated uncollectible amounts	(20,000)	(20,000)
	\$ 1,276,490	\$ 980,168

Note 4 - Inventory

Inventory consists of the following at June 30, 2017 and 2016:

	2017	2016
Food and consumables inventory	\$ 421,113	\$ 370,991
Allowance for perishable food	(23,049)	(23,049)
Supplies	9,105	5,600
	\$ 407,169	\$ 353,542

Note 5 - Property and Equipment

Property and equipment consists of the following at June 30, 2017 and 2016:

	2017	2016
Buildings and improvements	\$ 6,051,892	\$ 5,933,281
Equipment	1,182,364	1,108,448
Land	669,968	669,968
Autos and trucks	768,254	644,311
Leasehold improvements	739,369	722,641
Computer equipment	303,215	260,699
Furniture and fixtures	126,227	99,871
Software	50,405	31,857
	9,891,694	9,471,076
Less accumulated depreciation and amortization	(4,417,971)	(4,208,959)
	\$ 5,473,723	\$ 5,262,117

Note 6 - Line of Credit

CCS has a \$200,000 unsecured revolving line of credit with a bank. As of June 30, 2017 and 2016 there were no borrowings on the line of credit. The line of credit is available until November 5, 2017. The line bears interest at the greater of a floating rate of the Prime Rate plus 0.75% or a floor of 4.00%.

Note 7 - Concentrations

As the social service arm of the Diocese, a substantial portion of the support received by CCS comes from various Catholic organizations. The Organization also receives a substantial portion of its support from governmental entities. A loss of this support would have a materially adverse effect on CCS.

Note 8 - Leases

CCS leases office space under operating leases expiring at various dates through 2020 and leases equipment under capital leases expiring 2020.

Future minimum lease payments are as follows:

Years Ending June 30,	Capital Leases	Operating Leases
2018	\$ 13,728	\$ 74,281
2019	13,728	61,834
2020	8,128	9,819
Total minimum lease payments	35,584	\$ 145,934
Less amount representing interest	1,662	
Capital lease obligation	\$ 33,922	

Total rent expense for the years ended June 30, 2017 and 2016 totaled \$207,205 and \$181,932, respectively.

CCS leases the St. Vincent de Paul Dining Hall from the Diocese, a related party, for the operation of part of its Homeless Services program. The Diocese donates the cost of the rent to CCS as further described in Note 11.

At June 30, 2017 and 2016, leased property under capital lease totals \$40,187 and \$41,000, respectively, with associated accumulated amortization of \$11,338 and \$35,305, respectively.

Note 9 - Beneficial Interest in Assets Held by Catholic Foundation of Utah

In 1992, Jon and Karen Huntsman Foundation, (the Donor) made a permanently restricted contribution of \$1 million and stipulated that the earnings be used to benefit the St. Vincent de Paul Center operated by CCS. In 1994, CCS, CFU, and the Donor, entered into a gift agreement whereby CFU was made responsible for the investment and administration of the \$1 million permanently restricted contribution.

CCS' Board of Trustees has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, unless there are explicit donor stipulations to the contrary. The donor has specifically stipulated that the original endowment principal may only be expended with the prior written consent of the donor, but the earnings on the endowment are to be used to benefit the St. Vincent de Paul Center. As a result of this interpretation, CCS classifies as permanently restricted net assets (a) the original value of gifts donated to the endowment, and (b) the original value of subsequent gifts donated to the endowment. The remaining portion of the donor-restricted endowment is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by CCS in a manner consistent with the standard of prudence prescribed by

UPMIFA. CCS considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the organization
- The investment policies of the organization

At June 30, 2017 and 2016, CCS has recorded \$1,172,205 and \$1,225,607 respectively, as the value of the beneficial interest in assets administered by CFU relating to this permanently restricted contribution.

During the year ended June 30, 2017, CCS transferred \$2,601,400 to CFU representing an unrestricted, board designated endowment. This board designated endowment was transferred to CFU in order to generate a higher return on investment. Amounts will be distributed back to CCS at the direction of the board of directors of CCS.

During the years ended June 30, 2017 and 2016, CCS recorded gains of \$228,760 and \$20,393, respectively, as change in interest in the net assets of CFU. During the years ended June 30, 2017 and 2016, \$139,681 and \$116,932, respectively, was transferred to and received in cash by CCS.

CFU held other permanently restricted contributions, with a value of approximately \$1,023,000 at June 30, 2017 and 2016. These contributions were designated by the donors, either in whole or in part, for the benefit of CCS or its programs; however, CFU retains variance power to redirect these contributions and the earnings on these contributions. Accordingly, with respect to these contributions, CCS has recorded no unconditional promises to give at June 30, 2017 and 2016.

Catholic Community Services of Utah
Notes to Financial Statements
June 30, 2017 and 2016

Changes in Endowment net assets for the years ended June 30, 2017 and 2016 are as follows:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
<u>Year Ended June 30, 2017</u>				
Beneficial interest in assets held by Catholic Foundation of Utah, beginning of year	\$ -	\$ 225,607	\$ 1,000,000	\$ 1,225,607

Note 10 - Restricted Net Assets

Temporarily Restricted

Temporarily restricted net assets consist of the following at June 30, 2017 and 2016:

	2017	2016
Restricted by donors for		
St. Vincent de Paul Center (held by CFU)	\$ 172,205	\$ 225,607
Northern Utah	565,378	200,490
Refugee Resettlement program	-	143,282
Capital needs	131,261	121,799
ALSAM Foundation - capital needs	274,675	681,535
United Way - time restriction	103,390	106,446
Emergency crisis fund	26,850	28,005
Homeless Services	4,065	50,600
Quarters for Christmas	31,812	20,004
Training	2,030	2,030
Tuition and books	1,095	1,095
Refugee dental and vision screenings	6,825	4,268
Lunch truck	-	2,563
Bus tokens	1,423	1,895
Car seats	1,871	1,871
Backpacks	1,884	1,825
Other	9,355	1,261
Bicycles	882	882
Background checks	11,743	395
Immigration and refugee restrictions	-	273
Tool kits for R&P clients	-	200
Supplies for orientation	122	122
	\$ 1,346,866	\$ 1,596,448

Permanently Restricted

Permanently restricted net assets totaling \$1 million at June 30, 2017 and 2016 represent a permanently restricted donation from the Jon and Karen Huntsman Foundation (Donor). As further discussed in Note 9, an agreement was entered into between CCS, CFU, and the Donor, whereby the responsibility for the investment and administration of this donation was transferred to CFU. Earnings on this donation are restricted to provide food, shelter, and clothing to homeless persons and other persons who by reason of condition of poverty or otherwise are in need of such assistance; provided, however, that for so long as the St. Vincent de Paul Center shall have need of funds to provide food, clothing, and shelter to homeless persons in the State of Utah, all income derived from the endowment shall be directed to the St. Vincent de Paul Center for such purposes.

Note 11 - Donated Professional Services and Materials

CCS received donated materials and professional services as follows during the years ended June 30, 2017 and 2016:

	2017	2016
Food and consumables	\$ 6,956,724	\$ 6,836,830
Clothing and furnishings	1,060,305	946,896
Rent	72,000	72,000
Other	155,885	138,716
	\$ 8,244,914	\$ 7,994,442

Related expenses included in the statement of activities total \$8,187,180 and \$7,903,671 for the years ended June 30, 2017 and 2016, respectively. Donated materials primarily represent the donation of food items that are provided to or consumed by participants in CCS' Homeless Services and Catholic Community Services of Northern Utah programs. The differences between the revenue and expense primarily represent an increase or decrease in food inventory. Substantially all of these donated materials were used in CCS' programs.

Note 12 - Employee Benefits

CCS participates in the Lay Employees' Pension Plan and Trust (the Plan), which is the defined contribution (profit sharing) retirement plan sponsored by the Diocese. All employees twenty one years of age and older who have at least six hundred hours of service in a plan year are eligible to participate in the Plan. An employee begins vesting in the Plan after three years and is fully vested at the end of five years. CCS contributes 6% of its eligible employees' gross wages to the Plan. For the years ended June 30, 2017 and 2016, CCS contributed \$207,402 and \$179,169, respectively, to the Plan.

Note 13 - Related Party Transactions

During the years ended June 30, 2017 and 2016, CCS received cash donations of \$35,330 and \$40,056, respectively, and in-kind rent of \$72,000 and \$72,000, respectively, from the Diocese. In addition, CCS reimburses the Diocese for costs of insurance and certain employee benefits as these costs are incurred by the Diocese.

During the years ended June 30, 2017 and 2016, CCS recorded revenue of \$2,330,785 and \$2,464,079, respectively, as a sub-recipient of federal grant awards made by the United States Conference of Catholic Bishops (USCCB). At June 30, 2017 and 2016, \$145,468 and \$350,691 is recorded, respectively, as receivable from USCCB.

CFU and CCS are both affiliates of the Diocese. CFU raises and holds contributions for CCS and other local affiliates of the Diocese. At June 30, 2017 and 2016, CCS has recorded its interest in the net assets of CFU totaling \$3,916,086 and \$1,225,607, respectively, relating to funds transferred to CFU over which CFU has not been granted variance power. CCS has not recorded an unconditional promise to give from CFU at June 30, 2017 and 2016.

Note A - Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Catholic Community Services of Utah, and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Uniform Guidance. Catholic Community Services of Utah received federal awards both directly from federal agencies and indirectly through pass-through entities. No federal financial assistance has been provided to a subrecipient.

Note B - Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Subpart E – Cost Principles of the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Catholic Community Services of Utah’s summary of significant accounting policies is presented in Note 1 in the Catholic Community Services of Utah’s basic financial statements.

The Organization has elected to use the 10% de minimis cost rate.

CPAs & BUSINESS ADVISORS

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

The Board of Directors
Catholic Community Services of Utah
Salt Lake City, Utah

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Catholic Community Services of Utah, which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 20, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Catholic Community Services of Utah's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Catholic Community Services of Utah's internal control. Accordingly, we do not express an opinion on the effectiveness of Catholic Community Services of Utah's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Catholic Community Services of Utah's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

The image shows a handwritten signature in cursive script that reads "Eide Bailly LLP".

Independent Auditor’s Report on Compliance for the Major Federal Program; and Report on Internal Control Over Compliance Required by the Uniform Guidance

To the Board of Directors
Catholic Community Services of Utah
Salt Lake City, Utah

Report on Compliance for the Major Federal Program

We have audited Catholic Community Services of Utah’s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Catholic Community Services of Utah’s major federal program for the year ended June 30, 2017. Catholic Community Services of Utah’s major federal program is identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

Management’s Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor’s Responsibility

Our responsibility is to express an opinion on the compliance for the Catholic Community Services of Utah’s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Catholic Community Services of Utah’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Catholic Community Services of Utah’s compliance.

Opinion on the Major Federal Program

In our opinion, Catholic Community Services of Utah complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2017.

Report on Internal Control over Compliance

Management of Catholic Community Services of Utah is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered Catholic Community Services of Utah's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Catholic Community Services of Utah's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
